“Boutipi were a pleasure to work with from start to finish. They went above and beyond to make sure our vision become a reality and sorted out anything that came up last minute - nothing was too much trouble! We couldn't recommend them highly enough.”

"Thank you so much, everything looked amazing and especially the Aurora, which everybody loved. It's so much more elegant than other marquees styles and it's definitely the perfect choice for outdoor events.

A massive thank you to your team, you did an amazing job. It looked picture perfect! You definitely stole the show over Meghan & Harry on the day - in my eyes anyway."

"I would just like to say it was an absolute pleasure to work with the Boutipi team - exceptionally friendly, flexible and professional. I do hope our paths cross again in the future."

“Absolutely Cultured worked with Boutipi who provided tipis for our Urban Legends: Northern Lights event in Hull city centre. They were so enthusiastic, friendly and couldn't be more helpful in working with us to make sure we had tipis that worked perfectly, literally a canvas for the artwork. We had quite a few changes to requirements, for example on the final day of set-up we called them out to shift the canvas on the frame so it was perfect for the projections, this required 3 of their staff coming over out of hours and they made it happen really quickly. They wanted it to work as much as we did and went over and above to make it happen.”
